In August of 2009. we opened a restaurant [MOSTOVI \(the Vela\)](#) at Radnička street 1a, Zagreb. Our guests want for lunch and dinner, offer a serious, elaborate, gastronomic valuable food, which is based on fresh ingredients, loyal and reliable suppliers. I sincerely believe that the seriousness of the cooking, the seriousness of the relationship to natural foods, and unconditional respect for the customer as the only real reason why restaurants do exist, can be implemented with reasonable prices.
